July 2006

Dear Applicant:

Because of recent local events our Club has invited the NRA Range Tech Team to inspect our premises and our ranges. After careful inspection, the NRA provided observations and recommendations for amendments to satisfy local officials and others that we are operating the ranges in a safe and conscientious manner.

One of the NRA recommendation was also to develop and implement Range Rules that all members must agree to abide by in order to use the ranges. Further, the NRA Range Tech Team recommended that these Range Rules become a permanent fixture in our governing Constitution and By-Laws.

On June 29, 2006 an almost unanimous majority of the Club's membership responded in the affirmative to the inclusion of the Range Rules into the [Constitution and By-Laws](#).

Also on June 29, 2006 it was unanimously voted by the membership present to adjoin the following affidavit with all Applications for Membership in order to provide Range Privileges to new members.

Please complete and sign the affidavit below and return it with your application for membership to the Tri-Village Rod & Gun Club.

AFFIDAVIT of COMPLIANCE

I, PLEASE PRINT YOUR NAME HERE, the undersigned, do hereby certify that I have read the Rules of Range Operation and Use completely, fully understand their meaning, and agree to comply with these rules in order to exercise Range Privileges.
